### Vice President of Australia's Swinburne University of Technology, Jeffrey Smart visits UIBE's English Department

In order to promote UIBE's exchange and cooperation, a delegation of 6 people from Australia's Swinburne University of Technology paid a visit to UIBE. Yu Lijun the Vice Dean of UIBE English School and Deputy Secretary Xu Wenbin met with the guests.

It's the second time that Vice President Jeffrey Smart visits UIBE. He announced that the aim of this trip is to talk about sending students from Swinburne University of Technology to UIBE to study Chinese, the "1+1" Graduate Program, and the exchange program in general. Vice Dean Yu Lijun expressed interest in sending undergraduate and graduate students to study at Swinburne University of Technology and discussed when the students should go and what course to take. Deputy Secretary Xu Wenbin asked for some information regarding Swinburne University of Technology and its students, and showed support for further cooperation between the two universities.

Both universities agreed to a future cooperation and agreed to sign a cooperation agreement.

After the meeting, the delegation from Swinburne University of Technology met with the China-Australia Program students. Vice President Jeffrey Smart and the delegation members answered questions asked by students.

Swinburne University of Technology was founded in 1908, it is over 100 years old. It has relations of cooperation with several famous universities. According

to the Good University Guide 2007, it was the best university in Melbourne, and is the only one university in Melbourne with 5 stars.
