Vice President of Universidad Ponpeu Fabra visits UIBE

On April 13, 2009, Vice-President Professor MORRAS, responsible for international affairs and the program of postgraduate students at Universidad Ponpeu Fabra, paid a visit to UIBE along with Ms. Wang Yu, Director of the Office of China. Vice president Lin Guijun met with them.

The discussions centered on each others academic achievements, specific programs, teacher exchange programs, cooperative research, and further study of Spanish graduate students. They agreed to further discuss the possibilities of short-term study by UIBE's economics students wanting to attend the Universidad Ponpeu Fabra,

Professor Morras said that as a young and modern university, Universidad Ponpeu Fabra has achieved rapid development in Economics and Business. It is ranked as one of the top universities in Spain, according to various rankings published by European authorities. The university offers many degree programs in English, and pays much attention to international exchange.

The Universidad Ponpeu Fabra is interested in drafting a cooperation agreement in order to carry out students exchanges, and degree program cooperation with UIBE as soon as possible.

Before the meeting with Vice-President Lin, Ms. Zhao Xuemei, Vice Dean of the School of Foreign Studies; Mr. Ge Ying, Vice Dean of School of International Economics & Trade; and Ms. Xiang Jie, Assistant Director of the International Cooperation and Exchange Office, gave the guests a detailed introduction of UIBE, and discussed further potential fields of cooperation between the two Universities.
